F-4PINS

Power Engine 550TC

- 20+4 PINS** Support Intel and AMD processors based systems. Complies with ATX 12V power
- AUTO FAN CONTROL** Temperature sensor detect of fan speed adjustment automatically
- SILENT** Optimized temperature controlled recom 120mm green bladed fan. Providing better airflow & speed control.
- PCI-E** Dedicated PCI-Express VGA connector for high performance interface VGA card extended power
- SATA** 4x SATA Power connectors ready for SATA HDD and DVD/Blu-ray connections.
- HIGH-END SURFACE** Nickel black coated shell providing the high end and cooling effects to this PSU. Best choice for Gamers & PC Users
- PFC** Environment friendly technology reduces the loss of electricity and save your money on facility bill
- CABLE SLEEVING** Cable sleeving for better protection while bending power cables, keeps all the separate cables together (all cables)

RC-PE550TC AC INPUT: 230V 5A FREQUENCY 50Hz MAX. LOAD: 550w	DC OUTPUT

- * PFC (Power factor correction)
- * SDFP Scan disk free protection (PS off >2MS) preventing data loss
- * Supports OVP, OCP & SCP (Short circuit protection)
- * ESD (Electro static discharge protection up to 3kV)
- * PS/2 form factor dimension (140mm x 150mm x 85mm)
